

You sat down to do the thing. Then you alphabetized the spice rack.

Meet the squirrel: a champion of doing absolutely everything except the one thing that needs doing. Across 60 illustrated pages, it color-codes, deep cleans, and reorganizes its way around every task on the list.

Plus 11 Where's the Squirrel? search pages, because you needed one more distraction.

The perfect gift for the procrastinator in your life. Or for yourself. No judgment.

Oh Look, a Squirrel!

The Book to Read When You're Avoiding Doing the Thing
