You're not old. You're just done.

Done with group chats. Done with brunch. Done pretending the surprise party was a nice surprise.

I'M TOO OLD FOR THIS is a large-print activity book for anyone who has lived long enough to know exactly what they will and will not put up with.

- 110 funny fill-in pages, one activity per page
- Big, easy-to-read print with plenty of room to write
- Checklists, rankings, would-you-rathers and nonsense tolerance meters
- No trivia, no memory tests, no wrong answers

The perfect gag gift for Mom, Dad, Gen Xers, Baby Boomers, or anyone whose favorite plans are the canceled ones.
